Bottles produced: 210 bottles

ABV: 11%

Sulphur: Bottled at 10ppm free

Other: Unfiltered

Vintage comments:

A great vintage. Drought-like conditions contributed massive flavour intensity & ripeness.

A lovely vintage for our Sauvignon; showing more gooseberry & tart tropical fruits than previous wines.

Winemaker comments:

Sauvignon is consistently one of our favourite wines throughout its making.

Unashamedly green & refreshing, this is another textbook – albeit riper – vintage of our Sauvignon. Wonderfully refreshing, with interesting applications for food pairing.
